both the Imperial Service Lancers and the Transport Corps, who are rendering a very good account of themselves in the field, I am inclined to think that Government have a greater reason to extend their support by bearing all the printing charges of the I.S.L. War Fund. The cost at the beginning amounted to Rs.2,115-1-8, as appeal forms, account books &c., had to be got printed. The annual recurring charges will not be more than Rs.300/-

Subject:—

Question of permitting the Mysore Imperial Service Lancers' War Fund Committee to get all their printing work done in the Government Press.

---

In General Secretary's letter No.G.15255/G.P.8-15-108 dated 8.5.1916, the request of the Mysore I.S.L.War Fund Committee to get all their printing work done in the Government Press free of cost was declined as per His Highness' orders.

The Committee have since urged a reconsideration of this order and have requested that the claim of the Government in respect of charges for printing done on their behalf in the Government Press which amount to Rs.2,115-1-8 may be waived and that all their printing work may be done free of cost at the Government Press.

On the grounds that the resources of the Fund are limited and that it has to be utilised in affording relief not only to the I.S.Lancers but also to the Transport Corps, the Extra-ordinary Member is of opinion that the requests of the Committee may be complied with.

The matter was considered in Council and they are of opinion that it is not desirable to permit the Committee to get their printing work done in the Government Press, free of cost but that a lump-sum grant of Rs.2000 may, however, be made to them towards the printing charges incurred till now, the grant being provided out of the Military Budget.

The opinion of the Council may be approved.
